Good Afternoon,

I work with ADA Jane Mulqueen in the Hampden County DA's office. We have a trial scheduled for us to report ready for trial on Monday, January 14th (don't panic) that involves you as well as Sonja Farak. It is a mixed case involving both a sexual assault and drugs. I am looking to find out your availability after January 16th. Also, this case may result in a plea, but we still need to check out schedules in the event the defendant does not plead out.

Please let me know ASAP your availability after January 16th and if there is any information you need from me/ADA Mulqueen regarding the case (I am strictly an SVU Victim Advocate and the drug cases are foreign to me!).

Thank you for your time, and I apologize for the late notice.  
Emily
